

GIVING TUESDAY

PLEASE HELP BALEAF BY DONATING!

BALEAF works year-round to help Bay Area Law Enforcement officers and their families after they face a life-impacting event. Their need for assistance increases making it even more critical that we reach out to you. Each year, we give our community a chance to participate in helping these officers and their families through the "**GivingTuesday**" movement.

#GivingTuesday November 30, 2021, is an annual event that encourages generosity. It is a chance for everyone to get involved and do good, and this year we ask that your good deed is a donation to the **BALEAF nonprofit charity organization**.

Future projects your donation could help fund include devices for officers such as a wheelchair or bed lift; or tools such as special driving modifications needed after a traumatic event; or financial assistance to pay for physical therapy, a funeral, or medical bills; even funds for items of everyday necessities. Your generosity can do so much for **Bay Area Law Enforcement**.

No donation is too small- every amount is appreciated! Feel free to share with friends, family, and others so they too can lend a hand to BALEAF's mission.

Open your heart and donate at <https://baleaf.org/donate>. You can donate through the mail by check, online through PayPal and online through Venmo. Be sure to add your full name and mailing address so we can thank you for your generosity.

BALEAF is a member charity of America's Best Local Charities and is shown as Bay Area Law Enforcement Assistance Fund, 91-2006597
