

Lynette Hogue (Lt. Ret.) / Associate Board Member

I joined the San Francisco Police Department in 1982 and retired in 2009. I have worked in patrol, assigned to Ingleside, Mission, Tenderloin, and Central Stations. I have also worked in administration positions that included the Behavioral Science Unit (BSU), Field Operations Bureau, Officer in Charge of Payroll, and Management Control Division.

When I was assigned to the Behavioral Science Unit, the notion of creating a fund to help officers and their families in difficult times was discussed among our staff and chaplain. Having started a grief support network through the BSU and talking with survivors of law enforcement death and serious illness, it became evident that creating BALEAF would help our law enforcement family in a way that that no other non-profit organization had done.

I am proud to have returned to the Board of Directors of BALEAF and to see how the organization has been able to help so many of our law enforcement family members. I have proudly served as a Board Member and Vice President for BALEAF, and currently serve as an Associate Board member.
